Registered VAT details confirm UAE Federal Tax Authority registration under TRN 104895481000003, effective from 01 June 2025.

02 | MISSION & VISION

Clear commitments for controlled delivery and long-term business relationships.

MISSION

To deliver dependable construction, maintenance and transport services within our licensed scope, with disciplined planning, competent execution, effective communication and a strong focus on safety and quality.

VISION

To develop long-term business relationships in the UAE by being a dependable project-support partner for clients, contractors and stakeholders through responsible service, reliable resources and continuous improvement.

Our business promise

We aim to understand the agreed scope, mobilise suitable resources, maintain clear communication, control operational risks and complete work in accordance with applicable contractual, legal, client and site requirements.

1 PLAN

Understand scope, interfaces and approvals

2 MOBILISE

Arrange suitable resources and documents

3 DELIVER

Execute with quality, safety and communication

SCOPE → APPROVALS → MOBILISATION → EXECUTION → MONITORING → CLOSE-OUT

03 | OUR PHILOSOPHY & CORE VALUES

Principles that guide planning, site behaviour and client relationships.

SAFETY FIRST

Safety is integrated into planning and execution. Hazards are identified, controls are communicated and personnel are expected to follow approved procedures and site requirements.

RELIABILITY

Maintain suitable resources, equipment and communication to support agreed project needs and operational continuity.

COMMITMENT

Respect contractual responsibilities, coordinate with stakeholders and respond professionally to project requirements.

QUALITY

Apply documented controls, inspections and continual improvement principles consistent with our quality-management approach.

RESPONSIBILITY

Operate responsibly with attention to people, property, the environment and applicable UAE requirements.

PARTNERSHIP

Build professional working relationships with clients, consultants, contractors, suppliers and project teams.

These values are aligned with the company's stated operating philosophy in the supplied profile.

04 | LICENSED ACTIVITIES & SERVICES

Services are presented within the boundaries of the supplied Abu Dhabi economic licence.

Service capability

Within the scope of the licence and project approvals, the company can support construction and maintenance requirements, transportation of construction materials, construction and demolition concrete waste, metal waste and non-metallic waste, using appropriate light/heavy vehicles and project resources.

COMPLIANCE NOTE

Activities marked with an asterisk are subject to the classification/approval requirements stated on the licence. Additional permits or authority approvals are obtained where required before undertaking regulated work.

05 | FLEET, TRANSPORT & EQUIPMENT

Visual overview of the resource categories identified in the supplied profile.

Operational note: Specific equipment availability, ownership/lease status, operator competence, route permissions and load permits should be confirmed for each project before mobilisation.

06 |

HSE, QUALITY & OPERATIONAL CONTROLS

A structured approach to risk, quality, environmental control and continual improvement.

RISK ASSESSMENT & METHOD STATEMENTS

Identify hazards and define controls before work begins; update controls when conditions or scope change.

COMPETENT PERSONNEL

Use appropriately competent drivers, operators, supervisors and personnel for assigned tasks.

PLANT & VEHICLE CHECKS

Use appropriate pre-use inspections, maintenance and defect reporting to support safe operation.

TOOLBOX TALKS

Communicate hazards, controls, changes and lessons learned to the workforce.

INCIDENT & NEAR-MISS REPORTING

Record, investigate and use findings for corrective and preventive action.

QUALITY INSPECTION & RECORDS

Maintain inspections, approvals and records required by project specifications and the QMS.

ENVIRONMENTAL CONTROLS

Manage waste, spills, dust, housekeeping and other environmental aspects relevant to the work.

EMERGENCY PREPAREDNESS

Maintain project-specific emergency arrangements and communicate responsibilities before work.

ISO 9001:2015 Quality Management Systems registration • Certificate No. 26RN09BO

Initial certification 04/09/2026 • Valid until 03/09/2029

07 | MANAGEMENT & PROJECT DELIVERY

A practical six-stage workflow for controlled mobilisation and execution.

Project references

Project names, client logos, values and completion details should be added only from verified company records and where disclosure is permitted. No unverified project claims have been inserted into this profile.

CONTROL PRINCIPLE Approved scope + suitable resources + documented controls + clear records
